

Communities In Schools of Cape Fear announces the 7th annual CIS Fashion Show

WILMINGTON – Education never goes out of style! Communities In School’s annual Fashion Show is back again for another upbeat afternoon supporting students in need.

This fun event showcases summer fashions from some of the region’s finest local boutiques, featuring a Mimosa Bar and silent auction, followed by a plated lunch and fashion show at noon.

Several students served by CIS and notable individuals from the community will grace the runway, you don't want to miss it!

Every dollar raised is used to support at-risk youth in our community and help ensure they have the resources they need to be successful and stay in school.

Communities In Schools provides programs and services that complement New Hanover and Pender County schools’ efforts to empower students and reduce the region’s dropout rate. Many of the children we serve face poverty, homelessness, hunger, and violence in their homes or communities. By providing critical supports for the most vulnerable students, we help the next generation unlock their potential.
