About the Wrightsville Plunge

Start off your New Year by "Plungin' for a Purpose" to support Communities In Schools of Cape Fear!

The event offers music, refreshments, activities and more, while allowing the entire family to kick off the New Year in a thrilling way!

All proceeds from the Wrightsville Plunge will be used to support at-risk youth in our community, and help ensure they have the resources they need to be successful and stay in school!

Who benefits from your donation

Our mission is to surround students with a community of support, empowering them to stay in school and achieve in life. We place staff directly inside 29 targeted, high-need public schools, who work with vulnerable students and those with the greatest risk of dropping out throughout the school day.

Our model works because it's based on national research, driven by community relationships, and supported by local resources.

In the 2022-2023 school year, CIS provided free programming and support to 21,919 students, 1,958 of which received ongoing, case-managed support. Of those...

Why get involved

Last year, in North Carolina, 51 students dropped out of school every school day.

Students who drop out are at increased risk of being chronically unemployed and relying on government assistance; they face high rates of incarceration and are six times more likely to become a young parent. Dropping out of school affects the future of our children and the future of our area's economy and ability to compete in a global workforce.

CIS provides integrated student support services, exposure to academic and career opportunities, and access to resources—all designed to ensure students stay in school and are empowered to achieve in life.

But we can't do it without your help.
The crucial services provided by CIS cannot be sustained without the support of individuals and corporations like you.

What's in it for you

The benefits of partnering with CIS Cape Fear are significant:

-  The opportunity to show that your company is invested in our community by supporting education.
-  The opportunity to position yourself as a key partner in helping the next generation see and break down barriers like racism, discrimination and exclusion
-  The opportunity to market yourself to thousands of individuals in the community who are business leaders, community advocates, teachers, and students.
