The Country Club at Landfall

About the CIS Fashion Show

On April 28, 2026, more than 220 individuals will gather at the Country Club of Landfall to show their support of Communities In Schools of Cape Fear.

This high-end event showcases summer styles for men and women and features several students served by CIS Cape Fear, as well as notable individuals from the community.

The event aims to raise \$65,000 to support at-risk students in New Hanover and Pender counties, and to educate guests about the critical issues facing today's students and the important work of Communities In Schools of Cape Fear.

The mission of Communities In Schools of Cape Fear is to surround students with a community of support, empowering them to stay in school and achieve in life.

To fulfill our mission, we place staff directly inside 34 targeted, high-need public schools, who work with vulnerable students and those with the greatest risk of dropping out. Services range from basic needs, academic assistance, mental health support, and life skills.

Thousands of students benefit from your gift

Last school year, we provided free programming and support to 32,713 students, 2998 of those received ongoing, case-managed support. Of those...

94%

Why get involved

15% of NC students who enter high school each fall will not graduate within four or even five years... 1 in 50 will drop out.

Students who drop out are at increased risk of being chronically unemployed and relying on government assistance; they face poor health outcomes, high rates of incarceration and are six times more likely to become a young parent.

Dropping out of school affects the future of our area's economy and ability to compete in a global workforce.

CIS provides integrated student support services, exposure to academic and career opportunities, and access to resources designed to ensure students stay in school and are empowered to achieve in life.
