About our Burgaw Breakfast

On October 1, 2026, more than 100 community leaders and advocates will gather to invest in the future of local students.

Our Burgaw Breakfast is more than an event, it's a call to action. Guests will learn about the challenges facing today's youth, hear the impact of Communities In Schools programs and discover how their support can help ensure every student has the opportunity to succeed in school and beyond.

Who benefits from your gift

The mission of Communities In Schools of Cape Fear is to surround students with a community of support, empowering them to stay in school and achieve in life. To fulfill our mission, we place staff directly inside 34 targeted, high-need public schools, who work with vulnerable students and those with the greatest risk of dropping out throughout the school day.

Our unique model works because it's based on national research, driven by community relationships, and supported by local resources.

Why get involved

Last year, in North Carolina, 51 students dropped out of school every school day.

Students who drop out are at increased risk of being chronically unemployed and relying on government assistance; they face high rates of incarceration and are six times more likely to become a young parent. Dropping out of school affects the future of our children and the future of our area's economy and ability to compete in a global workforce.

CIS provides integrated student support services, exposure to academic and career opportunities, and access to resources—all designed to ensure students stay in school and are empowered to build a bright future.
